Chief Secretary's Office
Bangalore 18th Dec 1891

Sir,

I have the honor to acknowledge the receipt of your letter No: 7564/77 dated the 20th September last, regarding the establishment of a Munsiff at Harihar.

2. The late Harihar Taluk which was abolished and amalgamated with the Davangere Taluk in 1875 Consisted of the three hoblies named in the margin which comprised 112 villages with an area of 147342 acres, 25 guntas and a Revenue of Rs: 111431. The land Revenue of these villages for the year 1890-91 was Rs: 82,107-7-2, while that of the 160 villages, which Constituted the late Davangere Taluk before Harihar was added to it was Rs 75256-3-1.

Villages
1. Harihar 36
2. Mallasamudra 34
3. Honnali 32
102

including all sources of Revenue, the total Jamabandi for 1890-91 of the villages which formed the late Haribar Darangwe Taluka was Rs: 93845-9-2. and Rs: 90395-7-2, respectively.

3- I should have proposed to reconstitute the late Haribar Taluk into the proposed Sub Taluk without any change whatever, but for the fact that by such an arrangement the revenue of the Deputy Amildar's charge would be larger than that of the Amildar, which, I think would look anomalous, not to mention the difficulty which the Deputy Amildar would have in managing such a heavy charge with his limited Establishment.

4. I would therefore propose to abolish the Kondajji Hobli consisting of 32 villages, and add 16 of those

three villages to the Harihar Taluk and the remaining 10 villages to the Davangere Taluk, as the latter are nearer to Davangere than to Harihar. I proceed at the same time proposes to take 11 villages from the Harihar Taluk and add them to the Malebennur Taluk in order to make the two Talukas of the proposed sub Taluk Compact and as nearly equal in area and revenue as possible. In making this distribution care has been taken not to split any Shanbogue's Charge between the Taluk proper and the proposed sub Taluk.

I attach the following statement which shows the Existing and the proposed distribution of the villages between the various Talukas.

As at present Existing								As proposed								
Hobli	No: of Villages	Population	Area Ac.	G	Revenue Rs.	A	P	Taluk	Hobli	No: of Villages	Population	Area Ac.	G	Revenue Rs.	A	P

6. By the proposed arrangement the Deputy Amildar would have charge of the two hoblies of Harihara and Malebennur comprising 86 villages with an area of 1,19,643 acres 4 guntas and a Revenue of Rupees 77,412-15=5-, while the Amildar would have charge of 5 Hoblies comprising 176 villages with an area of 2,33,694 acres, 18 guntas, and a revenue of Rs: 106828-a-11-

7- A sketch showing the boundaries of

of the existing Hollies (marked in blue color) as well as those of the proposed Hollies (marked in red color) is herewith submitted for reference.

5. I regret to submit a statement showing in detail the proposition, area and revenue of the villages of the different Hollies which would be affected by the arrangements I have proposed.

Until the proposal above made met with the approval of Government I would respectfully suggest that the Sub Salt Agencies may be established from the 1st of January next, which would be before the time fixed under present orders for the collection of the Duty.

Commencec- There will be no difficulty whatever as regards accommodation for the deputy Amildar's Cutcherry, as the old Taluk Cutcherry building is readily available for the purpose, being at present used partly for the Police station and partly for the Dispensary which could be easily removed to some other building in the Town-

I have the honor to be,

Sir,

Your most obedient Servant

Illegible

Deputy Commissioner
